

Mission Engagement Bloke!

G'day folks

How often have you been told Jesus was the great storyteller? Lately, I'm not so sure.

As a little tacker, I was raised on Jesus' parables and Aesop's fables. Nobody showed me the difference and so I graduated from Sunday school with an understanding of life that included, "Nice people do good things and God likes that", "Some people have hard hearts and God can't do much with them," and "Foolish people fly too close to the sun and come unstuck."

Parables - pfft. We've heard them a quazillion times and the message hasn't changed since we were knee high to a tin of baked beans.

Now I read Jesus' forty-second fire-side chats and I start asking questions.

How about His character development? He gives us a bloke who discovered a treasure hidden in someone else's field. In his excitement, he hid it again and sold everything he owned to get enough money to buy the field. - Who is this dodgy developer?!

The story has a beginning, a middle, but no end!. What happens, Jesus?

Or, how about the merchant on the lookout for choice pearls. When he discovered a pearl of great value, he sold everything he owned and bought it!....?

A fascinating character, a beginning, middle and, again, no ending.

The first bloke is now sitting on a buried treasure, with nothing but the clothes on his back. Is he a hoarder, or a miser or a great philanthropist or a tourism entrepreneur....? What does he do, Jesus?

The second bloke is even stranger. He begins as an international high-end jewellery trader and his very identity; the purpose of his life is changed. Jesus finishes His story with this fellow becoming a penniless, homeless, unemployed man with one fabulous pearl in his pocket. What becomes of him, Jesus?

What will I do if I'm a dodgy dealer who stumbles across the treasure of the Kingdom of God?

What will become of me if finally find what I've been seeking with such devotion or obsession?

What is the Kingdom of God like for me, or us?

Church Hall Hire and Insurance

The UCA Queensland Synod traditionally has obtained insurance for public liability to assist congregations with renting premises for special family events when individuals lack coverage. Unfortunately, the policy expired on June 30, 2023, and the brokers weren't able to secure renewed terms from any insurer.

It is imperative that all UCAQ members, volunteers, employees and ministers do not provide any insurance advice. Rather quote the following from our brokers: -

It is a condition of the hirer of a UCAQ facility that you provide a certificate of currency to us showing you have public liability insurance of a minimum of \$10 Million covering you for this hire.

UCAQ insurance broker, Aon, advises that hirers for private family function may be able to source this through their house insurance. Alternatively, there are a multitude of insurers who offer Public Liability Insurance such as below.

UCAQ cannot offer insurance advice and we recommend that you seek appropriate advice from an insurance professional or insurer to assist you with this insurance.

- ◇ NFP Insurance Brokers
- ◇ AON Small Event Insurance
- ◇ Action Entertainment Insurance
- ◇ Local Community Insurance Services

Please get in touch with the insurance team if you have any questions at [07 3377 9804](tel:0733779804) or ucinsurance@ucaqlld.com.au

UCA Assembly has encouraged us to consider voting Yes at the Referendum & a member of Caloundra Uniting Church is passionate about supporting this view.

Eighty-two year old Margaret Landbeck decided to walk 82 kilometres, one for each year of her life, to raise awareness & support for the Yes vote. Her walk from Peregrine Beach to Bells Creek from 5-8 July created an opportunity for Margaret & her supporters to attract attention & to have conversations about issues along the way. Great effort, Margaret!

SNAICC is the National Voice for our Children. As the national peak body, we have a responsibility to make our children's voices as powerful as possible, now and into the future. A First Nations Voice enshrined in the Constitution will amplify the work being done to ensure our children can flourish, with power over their destinies.

This year's National Aboriginal and Torres Strait Islander Children's Day theme 'Little Voices, Loud Futures' fires that ambition. We are raising awareness for the bright futures of our children and the potential for their voices to pave a new path for our nation. As always, we support the voices of our children in calling for a future where they are proud and empowered by their culture to speak their truth and be listened to by all Australians.

Presbytery Report

Saturday 22nd July was the 160th meeting of the Presbytery of Mary Burnett. And didn't Glasshouse Country turn on the weather! It was such a beautiful day.

Worship was led by Rev Dr Elizabeth Nolan, with the theme of planting seeds, and the Frog and Toad skit reminding us that things will grow in God's time.

The finance report was delivered by Peter Mortimer for the last time, with Peter reminding us that Synod is no longer able to provide cover for church members and their families to hire church facilities. Please ensure that all hirers have adequate insurance. Each congregation is now responsible for paying PAYG tax for any admin staff they employ. (previously paid by Synod) And Audit reviews are due by the end of September.

Presbytery gifted the Mortimer's with a pot and a plant and thanked them for all their hard work over the last 4 years

In the MEO report, Phil discussed what we might be able to do at Mooloolaba, not recreating what we already have at nearby congregations, but creating a new way of doing church. A visioning meeting will be called in September (date TBC, watch this space) Presbytery is operating the op shop at Mooloolaba and we thank Lynne Ames for taking on the role of coordinator.

Some Great news from the PRC - Uniting Life Faith Community requested and was approved to become a Congregation! And BELLS Faith Community is now able to self sustain the 0.5 placement.

Also BlueCare and Bli Bli are partnering to provide a full time placement 0.7 BlueCare and 0.3 Bli Bli, and a call has been issued. Graham was not able to share the name yet.

We had several visitors from UnitingCare and Synod and while we were not able to see all their presentations, (they have all been sent to the Presbytery reps), we did have time to speak to them over lunch.

Presbytery elected a new Chair - Rev Russell Morris has taken the helm. We thanked Liena for all her time and efforts over the last couple of years, and gifted her with a pot and a plant. Presbytery also appointed Johan Frank as the new treasurer, although as he is currently travelling overseas, he will start on the 1st Sept. Wendy Jensen and Kylie Aalbers were appointed to the property committee.

Glasshouse Country greeted us with a cuppa and toast and then provided a wonderful morning tea and lunch. Presbytery thanked the team with heartfelt applause.

Why donate to Lifeline?

Your couch could save a life! When you donate to Lifeline and buy at Lifeline Shops, you are helping save lives – the sale of these pre-loved items helps fund the 24-hour 13 11 14 Lifeline crisis support line.

You're also giving someone else the chance to buy something you no longer want or need; one person's clutter is another's must-have! You're also reducing your impact on the environment by giving things another life, and keeping them out of landfill.

So whether it's a large item, such as an old comfy sofa, china cabinet or dining suite, or a smaller piece, such as books, clothing and other bric-a-brac, don't let it collect dust. It could just save someone's life.

Deciding what to donate?

Furniture, Clothing, Books and Bric a Brac can all be donated

We really appreciate people dropping their goods into one of our Shops wherever possible, to ensure items aren't damaged by the weather, especially when a donation bin is nearly full. Remember you can report a full [Lifeline donation bin here](#).

Was at Caloundra UC

UnitingWorld Sunday was celebrated with a great crowd at Caloundra Uniting on 16 July!

The prepared liturgy was led by Pastor Steven & Mardi Lumsden from UnitingWorld, and included a challenging focus from Rev James Bhagwan, General Secretary of the Pacific Council of Churches. Worship was followed by a program where Ian & Jan Louttit shared some of their experiences in Tonga this year; then Mardi challenged us to reflect on how we determine needs in other countries.

Lunch, served to a record crowd, was Soup 'n Crusty, suitably low-key for our Mission focus but just delicious!

A great outcome was over \$1600 to go towards the work of UnitingWorld!

The Synod has joined the Queensland Conservation Council's Cost of Living x Climate Coalition, along with other environmental and social services organizations, to endorse its "Power Together" campaign. The campaign advocates for increased investment in renewable energy by the Queensland Government to alleviate the cost of living for vulnerable communities.

We support this vital initiative as part of our ongoing commitment to environmental sustainability and the principles outlined in our [Flourishing Creation Action and Advocacy Plan](#). Your participation in this advocacy campaign will help amplify our collective voice and positively impact vulnerable communities. Let's stand together in promoting renewable energy investment and ensuring a more sustainable and equitable future for all. Thank you for your continued dedication to our environmental sustainability goals.

We urge all interested to visit <https://powertogether.org.au/> to learn more and get involved. For further information, contact Emily Murray at emily.murray@ucaqlld.com.au.
