

The Unsung Heroes

Who are the superheroes of the world? Ask a young child who the super heroes are and I am sure we would get a range of responses, Superman, Spiderman, maybe even a few sports stars thrown in there as well.

Who are the superstars of the Church, The Archbishop of Canterbury, The Pope, maybe the Moderator or maybe even the local minister might be referred to as superheroes in the right circumstance but are they?

Superheroes are import as they allow us to escape the reality of life if only for a few minutes but what about the everyday heroes in the world. The Police officer who shows up to a domestic violence call or the fireman that runs into a burning building when everyone else is running out!

What about the girl at the checkout that serves you week after week and I wonder do you know the name of the barista that serves you your coffee each morning? These everyday people are in so many ways the superheroes as they turn up each and every day and make sure the things we want or need are possible.

The English Premier League is notorious for clubs changing their manager mid season. In one club the new manager walked into the club and as he was doing his walk around he introduced himself to the cleaner.

The cleaner's response was oh don't mind me "I'm just the cleaner" to which the manager said no you're not just the cleaner. Without you doing your job when the boys came in on Monday morning the dressing room would be a mess and then they would not train properly, if they don't train properly then they don't play well, if they don't play well we lose the game! So you see you're not just the cleaner but a vital part of what we are trying to achieve.

If you think back to when Jesus was assembling his team yes he called tax collectors and fishermen to be part of his inner group. These were not people who were well respected in the community, certainly not Superheroes rather they were ordinary people doing ordinary things called to do something extraordinary in the same way that nurses, doctors and paramedics are called to do something extraordinary.

When you reflect on your involvement with the local church it is so easy for us to say 'I just serve the morning tea', or 'I just shake hands with people at the door', or 'I just do a reading every few months' (I am sure you get the idea). The reality is you don't 'just' do anything, you are a valued part of Christ's team you are his disciple and that means we are called to be like him.

We are called to journey with Jesus as we worship, witness and serve in whatever way we have been called whether that be leading worship on a Sunday morning or sitting quietly with someone in a coffee shop on a Thursday afternoon.

As you reflect on this reflection my challenge to you is to go and be the disciple that Jesus has called you to be!

Blessings

Prayer

O God,
I find myself at the beginning of another day.
I do not know what it will bring.
Please help me to be ready for whatever it may be.

If I am to stand up, help me to stand bravely.
If I am to sit still, help me to sit quietly.
If I am to lie low, help me to do it patiently.
If I am to do nothing, let me do it gallantly.

I pray just for today, for these twenty-four hours,
for the ability to cooperate with others according to the way Jesus taught us to
live.

"Your kingdom come, your will be done on earth as it is in heaven."
May these words that he taught us become more than words.

Please free my thinking and feelings and the thinking and feelings of others,
from all forms of self-will, self-centeredness, dishonesty, and deception.

Along with my brothers and sisters,
I need this freedom to make my choices today according to your desires.
Send your Spirit to inspire me in time of doubt and indecision so that, together,
we can walk along your path. Amen.

Sunrise Beach Uniting Church Stained Glass Windows

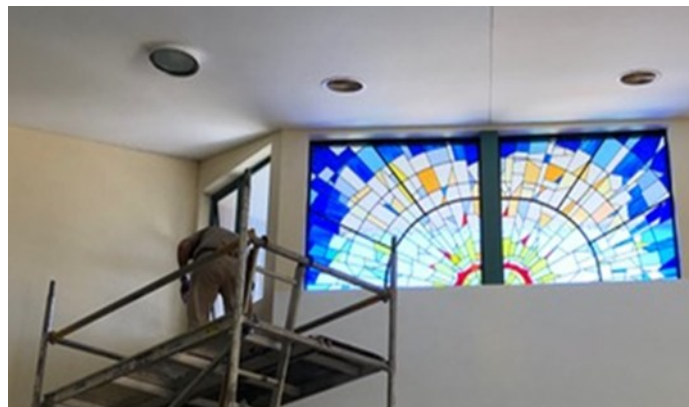

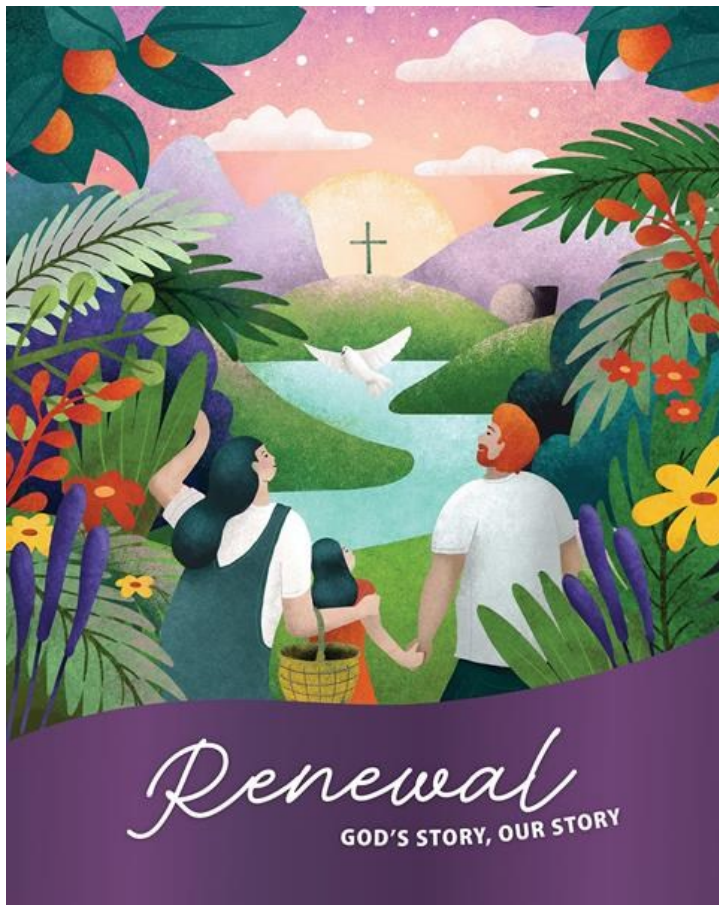

In a relatively new building what do you do when you are gifted some money to memorialise someone?

This was the challenge Sunrise Beach was recently faced with when money was donated. After discussion with the congregation and the person involved stained glass windows seemed to be the solution.

A design was chosen based upon some windows St. Paul's Cathedral, Melbourne. Owen Ronaldson (husband of past moderator Kaye Ronaldson) was commissioned to both design and install the new windows.

January 26th (yes Australia Day) was when the new windows were dedicated by Rev Leonie Gaffel, a past minister of the congregation was chosen to dedicate the windows as she was significant in the life of the person being memorialised.

Inductions

Rev Fritz Venzke - was inducted into Kawana Waters UC on the 18th January. We had a familiar face preaching in Rev Dr Liena Hoffman - Liena was one of the first lecturers that Fritz had when he studied Theology at college in South Africa, and she was honoured that Fritz asked her to preach. Ps Graham Huth presided over the formal proceedings, and the service was followed by a fabulous afternoon tea prepared by the Kawana Waters UC team. We welcome Fritz and his wife Helene to Kawana and the Presbytery!
Kylie Aalbers.

Rev Dr Liena Hoffman

Rev Phil Alcorn - was inducted into the Burnett Network of Churches on the 1st February at the Murgon UC. Rev Ian Smallbone preached, after some minor technical issues, with streaming songs!

People from all congregations across the network were present, and excited to welcome a second ministry agent to work alongside Rev David Ellis. The local Mayors from both North and South Burnett Shires, and several ministers from other denominations were also present.

Ps Graham Huth presided over the formal proceedings, and the service was followed by a fabulous feast (lunch) provided by many people from across the network. It was wonderful to have a packed church with great singing voices!

We welcome Phil and his wife Alison (not pictured) to the Burnett Network and the Presbytery!

Moderators Medal!

Sharon Kirk, recently received a Moderator's Medal which is awarded for outstanding contribution to the community

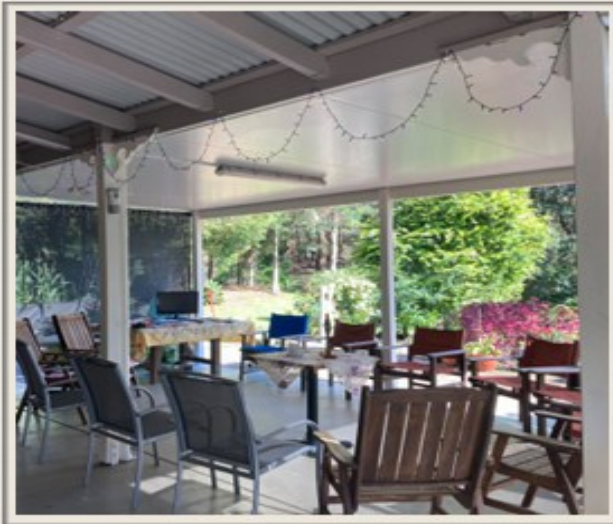

Sharon is a facilitator of Grief & Loss of a Loved One and Grief Loss & Dementia Groups. These groups are designed to assist people who are struggling on their grief journeys. This can be through the death of a loved one, or support for Carers of people with Dementia, who are struggling with the grief that that journey brings.

Sharon's ability to facilitate groups of grieving people in a calm and compassionate and thoughtful manner. She allows participants to say what they need to, encourages those who are reluctant to share, and this in turn helps participants to feel heard and understood. When all the different aspects of grief are discussed and how it affects every part of our lives, participants in the groups have greater understanding of what is happening for them. Having experienced her own grieving journeys, Sharon has a lot of wisdom to offer participants in this area.

Sharon brings much experience to the table. She was and continues to be an integral part of setting up the Grief Loss & Dementia program when it was developed in conjunction with Dementia Australia in 2018/2019, and as it continues to evolve. This program is specifically to support Carers of a loved one with Dementia to deal with the grief that goes with that journey. Her past role as an educator has been very helpful in coming up with new ways of offering training and support.

Sharon we are delighted that you were a recipient of a Moderator Medal.

REST, RESTORE, RECREATE

“Because we do not rest, we lose our way. We miss the compass points that would show us where to go, we bypass the nourishment that would give us succor. We miss the quiet that would give us wisdom. We miss the joy and love born of effortless delight.”

(Wayne Muller)

A PLACE OF TRANSFORMATION

Living on an acre of land in the Sunshine Coast Hinterland we love sharing our quiet hideaway with others.

There is plenty of space to sit quietly and contemplate, or walk the local streets and renew both body and mind.

Since settling here scores of people have come, experienced our hospitality and left renewed and ready to live out their life in Christ.

ASH WEDNESDAY 5 MARCH 2025

We take the opportunity at the beginning of Lent to share in a commitment to a 40 day journey with Jesus taking us through his death to resurrection.

Beginning with an Ash Wednesday liturgy at 9.00am we spend the day in prayer together and alone, concluding the day with Holy Communion. Following Afternoon tea we depart at 4.00pm. While there is no requirement to pay, for those who want to contribute to the costs, we suggest \$60.

OAM Recipient - Dr Andre Conradie
Long term member of Bundaberg UC.

As a leading cardiologist, Dr Andre Conradie has spent over 20 years building up Bundaberg's cardiology offerings so patients no longer need to fly to Brisbane for care.

While his patients have continued to appreciate the remarkable service he provides, it has also now been recognised on a national level with Dr Andre Conradie receiving a Medal of the Order of Australia for service to medicine and to community health.

It is remarkable to read through Dr Conradie's list of achievements which include for the Friendly Society Private Hospital – the director of the Coronary Care Unit and Interventional Cardiologist at the Cardiac Investigations Unit since 2012, founder of the Cardiac Investigations Unit, medical resident and medical student trainer.

Dr Conradie is also the Founding Partner and Interventional Cardiologist for Advara Heartcare (formerly GenesisCare). "We have contributed not only to clinical services, but also have been involved in major research programs, with significant scientific articles published in international journals."

Despite being a cardiologist for 31 years and involved in some remarkable medical innovations, Dr Conradie was very surprised with the Medal of the Order of Australia, but also deeply honoured.

"I also had to acknowledge all the people who worked with me over the years helping to bring all the cardiac services to fruition," Dr Conradie said.

"The Bundaberg community have been extremely welcoming to me and my family since we arrived here 21 years ago, and I am extremely grateful for the opportunities we've had both professionally and personally. Bundaberg will always have a very special place in our hearts.

"Since starting here in 2004, I've been actively involved and worked hard to create all the cardiac services for Bundaberg and Wide Bay, including setting up the public private partnership.

"Over the years we have created a very comprehensive cardiac investigations unit, where all the necessary tests can be performed, including heart echocardiograms, stress testing, electrophysiological testing (pacemaker and ICD testing), and long-term ECG monitoring. All these studies are available to both the public and privately funded patients.

"A comprehensive device implant and monitoring program has been established, where both public and private patients can have pacemakers and AICDs implanted.

"Advanced devices are implanted for patients with severe heart failure as well as the latest state of the art technology where leadless pacemakers are placed intracardiac for patients.

"Furthermore, through the public private partnership, all patients in Bundaberg/Wide Bay have access to interventional cardiology, where patients presenting with heart attacks receive state of the art treatment. "It involves procedures in a Cath lab where the blocked arteries are opened with special balloons and stents.

"As a result, most of the essential cardiac services are available to all patients in the Bundaberg/Wide Bay area, which is significantly more compared to 2004 when only an ECG could be performed in Bundaberg."

Appreciating that comprehensive screening programs are available in both the Friendly Society Private Hospital and Bundaberg Hospital, Dr Conradie remains frustrated with the biggest limiting factor to date being a shortage of cardiologists. "Since a good infrastructure has been established, we have been able to recruit more cardiologists to the area, with two new cardiologists to join us in the next few months. The goal is to have more interventional programs available to treat the high-risk patient."

"To overcome the limitation, our aim is to establish a training program for cardiologists where young people can do a fellowship in Bundaberg."

"I can say that I'm honestly very proud to be part of the Bundaberg region not only professionally but also personally."

Dr Conradie and his family have worshipped at the Bundaberg Uniting Church for many years.

RUBY'S ROOM *RR* *ministry for women*

Our Ministry was established in May 2013 at Buderim Uniting Church by a small group of Christian women and led by Caz Berry. We have inspirational guest speakers who bring their personal experiences of what God has done for them in their lives. We experience encouragement for the women who know the Savior Jesus Christ and an introduction to Him, for those who do not know Him. We want our meetings to be uplifting and special, providing a safe and happy place for women to relax, have some fun and to enjoy a delicious morning tea together.

Our meetings are held on the last Saturday of each month, starting at 9.30am – 12 noon here at the Connections on King, Buderim Uniting Church.
